Guide to Using Spa Products from Warwick SASCo

Usage

- For male use.
- Can be used in supine, seated or standing position.
- Close cap immediately after use to prevent spillage and odours.
- Empty after each use.

Cleaning

- Product should be washed before first use. Wash in hot water with detergent and allow to dry naturally.
- Can be cleaned in automatic washer disinfectors or hand washed in hot water using detergents and disinfectants.
- Spa Products are designed for a repeated use guaranteed for 1000 washes.
- Scouring and abrasive cleaners will reduce the performance of products.

Storage

- This product has a shelf life of 36 months from date of manufacture providing the recommended storage conditions are adhered to.
- Product should be stored in its primary packaging, off the floor on a pallet or shelf, and in a clean dry ventilated room at a temperature of 4 °C - 25 °C.
