### Guide to Using Spa Products from Warwick SASCO

#### Usage

- For male and female use.
- For use in a seated position with a commode chair.
- Close lid after use to reduce odour and risk of spills.
- Empty after ease use.

#### Cleaning

- Product should be washed before first use. Wash in hot water with detergents and allow to dry naturally.
- After use wash in hot water using detergents and disinfectants.
- Spa Products are designed for a repeated use - guaranteed for 1000 washes.
- Scouring and abrasive cleaners will reduce the performance of products.

#### Storage

- This product has a shelf life of 36 months from date of manufacture providing the recommended storage conditions are adhered to.
- Product should be stored in its primary packaging, off the floor on a pallet or shelf, and in a clean dry ventilated room at a temperature of 4 °C - 25 °C.
